The County will review the applicant's submitted SEPA checklist and make a determination in the combined Development Review Staff Report and SEPA Checklist Review to be issued at least fifteen (15) calendar days prior to the hearing.

A Determination of Non-significance (DNS) indicates that identified impacts can be adequately addressed with the application of existing County Codes and development standards. A Mitigated Determination of Non-significance (MDNS) indicates that identified impacts can be adequately addressed with conditions of approval.

Procedural or substantive appeals of a Determination of Non-Significance (DNS) or a Mitigated Determination of Non-Significance (MDNS) must be filed in writing with the County within fourteen (14) calendar days of the date the SEPA Determination is issued. There is no SEPA appeal fee for Type III reviews. SEPA appeals will be considered by the Hearings Examiner at the scheduled public hearing noted above, and decided in the subsequent written decision.

Issues of compliance with existing adopted approval standards and criteria can be addressed in the public hearing without an appeal of the SEPA determination.
